

SAINT SLIDE PRESENTATION INSTRUCTIONS

Part of your requirements for Confirmation is to make a slide presentation of your saint and present on it to your class. The content of the slide presentation must be your own words! You cannot just print information from websites or copy from a book. That is called plagiarism!

You must use at least three sources of information for your slide presentation.

Slide presentations should be six slides or more and include the following information:

- Cover slide with saint name, your name and image of the saint.
- At least 2 slides (12 facts) of biographical information (about the life of the saint).
- At least 1 slide (minimum of 5 sentences) of a clear explanation of what made the person holy to become a saint.
- At least 1 slide (minimum of 5 sentences) of an explanation of why you chose this saint as your patron saint.
- At least 1 slide (minimum of 5 sentences) of an explanation of how you connect with this saint.
- Final slide of list your sources of information at the end of the presentation.

You may have the freedom to be creative with the slide presentation. You can put in more information, more photos, etc.

Students are required to present their poster for two minutes to their class.

Please see Ernesto, Ofa or Anthony with any questions.
