

ST. LAWRENCE

JANUARY 05, 2020

**WHERE IS THE KING
WHO HAS BEEN BORN?**

We are celebrating the appearance of the Child Jesus to all the nations. This is how the Evangelist St. Mathew presents him to us. It is rich in meaning. The Messiah is seen as the King of the Jews by pagans, that is, by those who do not know the true God. His own people, together with the priests, wise men and kings do not recognize him. These representatives of the people who did not know God finally know him because of the interpretation of the stars, by exercising their intelligence. But beside the use of reason they also value the revelation of God present in the Sacred Scriptures. The Gospel reveals a minor contradiction, for while the announcement of the King of the Jews provokes a great joy with the wise men of the Orient, in Herod the King and in Jerusalem there is a great concern that they will lose their power. The scribes and the Pharisees know the Sacred Scriptures very well, but the Scriptures in and of themselves are not enough to encounter Jesus, the awaited Savior.
