BEWARE: TEXT SCAMS
The parish or Fr. Matt will never send a text message asking for personal information, money or gift cards. Below are some tips on dealing with scam text messages.

- Take time to consider your actions before responding to suspicious text messages.
- If in doubt, call the published main number of the parish, school or adminisstrative office from whom the text claims to have been sent to authenticate the text message.
- Do not respond to the text message if you doubt its origin.

Also the Department of Water, Gas or Electricity will not call to tell you they will be disconnecting your services unless you pay immediately.

PAINTING THE CHURCH!
As you know we planned to Paint the church last year, that is until the COVID virus changed our parish life. We reaised this money at our carnaval in 2019; however, we decided to wait due to a dramatic drop in the collection. We wanted to make sure we could pay our ordinary operating expenses. Thanks be to God we are doing that.
Therefore, as part of our preparations to eventually celebrate the return to "normal parishlife," we have decided to go head with the painting of the church.
In additon, we are going to start having discussions about celebrating "our reopening." We will be asking for your input. While still maintaining archdiocesan guidelines, we want to make preparations for our return to normal parish life.
For your information – Our Sunday collection is still 25% below our church closure. Howver, with donations we have been able to make up the difference and balance our budget. In the next coming months we will neeed to address this 25% loss with a talk on stewarship.
As a pastor I want to thank you for all the extra support – prayerful and financial – that you have given to our beautiful parish. You hve been a blessing to us. I am extremely grateful.
Fr. Matt
