NEW HOURS FOR CONFESSIONS

We will hear confessions on Saturdays from 4:00pm – 6:00pm, or by appointment. Since we have more than 300 children and teenagers to confess before they receive their Sacraments we will be keeping Saturday mornings available for them.

TOGETHER IN MISSION

This campaign is an opportunity to join together to support parishes and school that without your support would have to close their doors. If you donated last year you should have received a pledge form by mail. Please consider renewing your commitment. In June we will give more information and ask those who have not made a pledge to do so. God bless you for your generosity.

BLOOD DRIVE

Sunday May 30, 2021, 8:00am – 2pm. To Schedule your life-saving appointment please visit www.redcrossblood.org and use sponsor code: STLAWRENCE or call 800-733-2767.

DID YOU KNOW?

What you need to know about poison

It's a great time to review your safety measures for medicines, cleaning supplies, and other potentially dangerous items in your home. Store these items up high, out of your child's reach, or locked in a childproof place. Parents should keep the number for the Poison Control hotline Handy: 1-800-222-1222. Experts can give you immediate information about how to read your child and what signs to watch for. They can tell you if you need to head to the emergency room or if you can take steps at home. For more information, request a copy of the VIRTUS articles "What you need to know about poison" at lacatholics.org/did-you-know.
