SATURDAY HOURS FOR CONFESSIONS

During the month of June and through various parts of the summer, we will be missing a priest due to their annual retreat and some vacation time. Therefore, confessions will be from 4:00-6:00pm only. At 6:00pm the priest or priests will have to leave and attend to other pastoral duties. We are sorry that we cannot continue into the next hour. However it is our desire to serve you. Therefore, you may always call the office and make an appointment for a confession Monday – Friday. Thank you for your understanding.

FIRST COMMUNION/CONFIRMATION

In June we will be celebrating 13 services for First Communions and Confirmations. On June 9 and 11 the 6:30PM mass will be canceled due to two Confirmation services on those days.

TOGETHER IN MISSION

This campaign is an opportunity to join together to support parishes and schools that without your support would have to close their doors. If you donated last year you should have received a pledge form by mail. Please consider renewing your commitment. In June we will give more information and ask those who have not made a pledge to do so. God bless you for your generosity.

BLOOD DRIVE

If you signed up to donate blood please go to the House of John Paul at your appointment time.

OFFICE HOURS

We are open from 9 -5PM if you need information after hours please leave a message on the general mailbox or email brincur@yahoo.com both are checked every morning. Someone will respond the next business day.

OFFICE WILL BE CLOSED MONDAY

In observance of Memorial Day.

LAPD CADET PROGRAM

The Cadet Program will be held at St. Lawrence twice a week. Free to enroll for youth ages 13-17. GPA 2.0 or higher required. For more information take up a flyer or call Officer Marcos Mercado at 213-618-2991.

DID YOU KNOW?

Monitoring your children on YouTube

YouTube is one of the most popular sites for children, and anyone can upload and share videos about anything. YouTube can showcase creativity and Foster learning and connection for children, but it is also home to a variety of dangerous and inappropriate content. It is the user's responsibility to filter the content he or she sees, and often, children don't have the ability or knowledge to filter their viewing before it's too late. Talk to your children about what they want to watch, and what they are and are not allowed to do while on YouTube.
