DID YOU KNOW?

THE IMPACT OF SOCIAL DISTANCING ON CHILDREN
The negative effects of the pandemic on children are just beginning to be seen, as children head back to schools and daycares, some for the first time in well over a year. Children may be struggling socially, academically, and developmentally, due to a year of social distancing and predominantly online interactions. Work with your children to discuss how they are feeling - check in often for any signs that they might be overwhelmed or struggling. For more information, read the article, "The impact of social distancing on young children."

COVID 19

Los Angeles County has seen a significant raise in Covid 19 cases. 99% of the cases are people who have not been vaccinated. If you have not received a vaccination, Watts Health Care on 103rd and Compton is providing vaccinations on Tuesday and Thursday 9AM -11:45, 1:30 - 3:30PM and Saturday 9AM - 12:00PM

SATURDAY HOURS FOR CONFESSIONS

During the various parts of the summer, we will be missing a priest due to their annual retreat and some vacation time. Therefore, confessions will be from 4:00-6:00pm only. However it is our desire to serve you. Therefore, you may always call the office and make an appointment for a confession Monday - Friday. Thank you for your understanding.

SCHOOL YARD/SUNDAY PARKING LOT

We will be adding shrubs along the rod iron fence in the school yard and laying asphalt. This will add privacy and give the area a new and improved look. All of this is possible with the help of generous benefactors.
