Classes Resume

Dear Parents,

February already, we hope you are all enjoying the beautiful weather we are blessed to have living in South Florida. What a great time of year to be outdoors and to explore nature. We are completing registration for our currently enrolled students for the 2020 – 2021 school year. Please be sure that all forms and fees are turned in to the office. We have begun contacting the people on our waiting lists. If you know anyone who may be interested, please suggest they call the school or stop by for a visit and thank you for referring others to our school.

Imagination Room

Seton Ridge Castle is open and the children are enjoying dressing up and becoming royalty in the room.

Enrichment Classes

Enrichment classes have begun. We will be offering a final session in the spring, which will begin after our break in March.

The Little Farm

The Little Farm will be coming to Seton Ridge on March 2nd & 3rd! The children always enjoy this special visit and we all look forward to seeing and learning about the animals. The Little Farms costs \$7.00 per child. If you would consider making

any donation amount we would appreciate the help. Thank you so much for your consideration.

Respect Life Baby Bottle Campaign

Bottles will be sent home the week of February 24th. Please take a bottle home and fill it with your spare change, dollars or checks and return it the following week. Your contributions provide much needed funding to the Broward Respect Life office in Coconut Creek. This office does great and valuable work in our community helping mothers who choose life with their material needs and equipping them with strong parenting skills. **No contribution is too small or too big.**
