

Friday, August 21, 2020 - While we may not know for certain what our future holds, we know that by working together, we have weathered a mighty storm the past few months. We also know that together, we can place our faith with our Lord and take a courageous, hopeful step forward in planning the future of our parish.

Last weekend our pastor, Father Belgica, shared information about our ***Faith, Hope & Courage*** initiative and a special parish update was made available at Masses and online. This weekend, Patrice Griffin will share with us how our parish keeps faith and hope alive in our community.

After hearing the testimonial this weekend, Father Belgica and our parish leadership is asking all parishioners to make their commitment to ***Faith, Hope & Courage***. Please consider prayer, a one-time gift, and commitment or recommitment to offertory giving. They are also asking parishioners to let their parish family know how we can be of service. Once a decision is made, please complete a commitment card and return it in one of the following ways:

- Bring the card to Mass next weekend
- Mail it to the church using the pre-addressed envelope provided
- or visit our parish website at www.ourladyofgracefl.org and complete an electronic commitment card.

“While everyone’s circumstances are different right now, I know that every member of our parish can participate,” said Father Belgica. “Every parishioner can offer time in prayer, and every member can let us know how we can be of service.”
