

This week you will receive a letter in the mail from Bishop Parkes introducing ***Faith, Hope & Courage***, a program Our Lady of Grace is initiating over the next few weeks. Our community has spent the last several months responding to the COVID-19 crisis for our community in many ways. Our Bishop and our parish leadership believe it is important to look at how our parish has been impacted short term as well as the long term, and together make plans for the coming year to the best of our ability.

As Bishop Parkes states in his letter, "There is much that is still unknown, and we must chart a path forward with ***Faith, Hope & Courage.***" Through this process, our goal is to courageously move forward while also ensuring our faith family remains a beacon of God's love for our greater community.

Parishioners are asked to please review the letter from Bishop Parkes and join our pastor, Father Belgica next week as we take a look how we have weathered the pandemic, celebrate our blessings, compare our ability to maintain ministry, outreach and service year over year, and move into the next year with renewed ***Faith, Hope & Courage.*** Click on the "TAB" at the bottom of this section to view the full letter from Bishop Parkes. To connect with our parish and receive regular updates, please sign up for Flocknotes by [clicking here](#) and follow us on Facebook at [OurLadyofGraceBeverlyHillsFL](#).

Thank you for your generosity of spirit and support of Our Lady of Grace!
