- August, 16, First Day of 2021/2022 School Year

During this COVID-19 Pandemic, HRS has been safely operating with in-class instruction since Sept. 8, 2020!

Happy Easter!

We are happy to share this special 'Easter Edition' of our Weekly newsletter with our HR parish community. Thank you for your support of prayers, donations and talents at the school, they are immeasurable to our success in educating youth in Woodland!

Registration is open!

Holy Rosary Catholic School has a legacy and history of more than 136 years in Woodland. We prepare leaders and saints of tomorrow, with consciences rooted in the teachings of our Lord, Jesus Christ. Our motto of the school that we live by is, To Live, Love and Learn with Jesus Christ as our Model. Our tuition is more affordable than you may realize—rates are lower than most day care facilities! We do have some financial assistance available too! Find information starting at hrsaints.com. See the *Admissions* dropdown for procedures, timeline and tuition rates. The *Registration 2021/2022* dropdown will start the admissions process. Call or email us, we will be happy to answer any questions and or schedule a tour, 530.662.3494 | hrsoffice@hrsaints.com.

Angel Fund

For the past four years, Holy Rosary Angles have helped numerous Catholic Families reduce their tuition thus making Catholic education even more affordable and accessible. We are reaching out again to ask that you prayerfully consider supporting this cause. To become an Angel, you will need to contribute \$1,000 directly to the school's Angel Fund. Of course, any other contributions will be generously accepted. The annual campaign is going on now until May 1 with 100% of the funds equally divided amongst eligible, qualified parish students. Checks can be sent directly to the school, or we can ac-

cept credit card donations too.

Fleur de Lis 33 Virtual Auction

Grab your family and friends and get ready to celebrate the Fleur De Lis 33 Auction in support of Holy Rosary School! Our largest fundraiser of the year is scheduled for May 9th- May 15th, 2021. If you have something to donate to the auction, please call the office or email us at hrsauuction@hrsaints.com. More information regarding registration for the event will be coming to you soon!

STEM at HRS

Students excel with strong Science, Technology, Engineering, and Mathematics skills. That's why we have been engaging in STEM education activities where students participate in hands-on activities, projects, and problems that are reflective of real-world challenges. STEM activities have included students learning about germination followed by planting seeds, building pattern blocks, candy rainbow chemistry, building indoor sling shots, creating life jackets for babies, designing mazes, popsicle stick bridge challenges, building leaning tower of pasta and many, many, more. We are a Project Lead The Way (PLTW) School which means we have access to STEM curriculum that inspires students to question what's possible and prepare them for long-term success. This real-world approach empowers students and makes for invaluable connections between what students are learning in their classrooms today and how it applies to the paths they'll take in the future. Our partnerships with UC Davis ESTEME, Femineers, Woodland HS AG Sciences, ENCORPS and more have enriched our students STEM experiences. We are looking for more partners, contact us if your business or group would like to team up!
