A TK - 8 SCHOOL SERVING SOUTH LOS ANGELES SINCE 1924

April 24, 2020

Dear St. Lawrence of Brindisi School Families,

I hope you had a wonderful Easter Break! Thank you to all of you who worked with your students during the break and are now up to date in their assignments. We are six weeks into the third trimester, which means it is time for progress reports. This time, we will not send paper copies home, but you will be able to see the progress reports on SchoolSpeak. Please make sure you sign the progress reports on SchoolSpeak. Please keep in mind that a progress report is a summary of where your child is at the current time. We still have six more weeks of school. A progress report does not stay recorded anywhere in the system, and as soon as grades are published again, the grades will also change. Progress reports are always available on SchoolSpeak, 24 hours a day, 7 days a week. In preparation of the progress reports and comments/narrative of the progress during Distance Learning, we will not publish grades today. Grades will be published on Monday, April 27th at 9:00 a.m. We will send steps on how to retrieve and sign the Progress Reports Monday morning.

As I mentioned in previous updates, it is very important that you get your child's login information for Google Classroom. This is the fastest and most effective way to see the assignments in real time, as well as the communication and teacher feedback. Also, please make sure to download the Google Classroom app on your phone to get updates for the assignments. It is very important that you look through the missing assignments and get in contact with your child's teacher. As always, thank you for your outstanding support during this time and for being our partners in the education of our wonderful students.

May God bless you and keep you safe and healthy,

Mrs. Camacho
