Parents:

It is time to consider registering your child for Faith Formation at St. Joseph's in Lincoln for 2021-2022 (including St. Boniface & St. Daniel families).

This year we will offer early registration so that we will be able to plan for what – we hope – is a return to in-person classes for your children. While we cannot know for sure what August restrictions may be in place, it will help the Faith Formation department plan for the number of classes needed, the day of the week and time of classes, and most importantly the Catechists available to be in those classrooms.

There will also be a Family Formation Home Study available for those families who would prefer to work with their children at home, if there are schedule conflicts, and/or in the event we run out of classroom space.

This means that it is recommended that you pre-register so that you will receive priority for the choices that will be available for each grade.

The registration form and tuition schedule are now available on the St. Joseph's website. Or, you may come to the Parish Office from 10-noon or 2-4 Monday – Thursday to fill out the forms and/or turn in the completed form. Note that full payment must be received at the time of pre-registration if you wish to have priority.

Registration will also be offered on July 30 and August 1, 2021 in the Family Center from 9 – 1 both days. And be available Monday – Thursday from 9 – 4 starting August 9, through August 15.

If your child is new to St. Joseph's please bring copies of certificates for Sacraments received; or if the child has not received any Sacraments a copy of their birth certificate.

Classes will begin the week of August 23, 2021.
