

IMPACT

ST. JOSEPH'S SOCIETY

Give to those who have given a lifetime.

Our priests give a lifetime of service to the Church, and even in their retirement they continue to serve and represent Christ and his church.

-▶ **They fill in when active priests take vacation, have health issues or attend training programs for extended periods of time.**
-▶ **Our retired priests visit the elderly and the sick and provide spiritual guidance to thousands across the state.**

St. Joseph's Society is an endowed fund that helps offset the costs and financial burdens they face.
