

This month is termed Solidarity Month for the Defence of Human Rights in the Philippines.

The Promotion for Church People's Response (PCPC) Australia Chapter and the Filipino Conference (FNC) in the Uniting Church in Australia has organised an Online Forum on the 16th of September 2020, 7:00PM AEST entitled: **Church People's Prophetic Voices against State Terrorism in the Philippines**. This aims to highlight the response of our Christian sisters and brothers in the Philippines to the escalating attacks on human rights defenders and activist. The details of the Forum are in the attached concept paper.

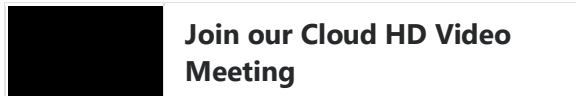

There will be Speakers from the Philippines and a panel of Church leaders in Australia to give their Responses. There will also be very short (two minutes) expressions of solidarity from other church leaders and church-based organizations in Australia.

Through these efforts, we wish to set up an ecumenical network for human rights/justice and peace advocacy for the Philippines which we hope you can be part of.
