PRE Enrollment: Attached to this bulletin is a message from Pamela Valencia, Director of Religious Education. The message explains in further detail the procedures for the Parish Religious Education this school term, 2020-21. Parishioners, especially parents of students in grades 1 through 12, are asked to read the message carefully. COVID-19 has forced changes in all aspects of family, community and church life. Your cooperation is vital for making this year as productive as possible for our children.

COVID-19: Please remember: 1) If you do not feel good, stay at home especially on Sundays; 2) Always wear a mask when in public. This includes Church Services; 3) Practice social distancing. Doing these accomplishes two ends: Protects others from oneself; AND protects oneself from others.

BAPTISMS: Contact the pastor well in advance of proposed date for baptism.

MARRIAGES: The 6-month preparation period is still required. Hopefully by late this year or early next year restrictions will have been lifted.

CENSUS 2020: The Census Bureau has shortened the time for completing the Census. Counting people will end on September 30, one month earlier than originally stated. IF YOU HAVE NOT COMPLETED THE CENSUS REPORT, PLEASE GO TO 2020census.gov/en/ways-to-respond.org TO COMPLETE THE ONLINE FORM. The U.S. Constitution requires a counting of the population living in the U.S. be completed every ten years. The census is used to determine the amount of federal dollars—our tax dollars—shared by states and local governments for education, public safety, roads, and social services. The census also determines how many Representatives from each state to the House of Representatives in Washington DC. The number of representatives and the funds for each state will not be reviewed for another ten years. Remember, we will all have to live the results for another ten years.
