Join a virtual (Zoom) study and discussion of Pope Francis' Encyclical Laudato Si

Pope Francis writes in Laudato Si (May 2015), "I urgently appeal for a new dialogue about how we are shaping the future of our planet". A number of themes reappear throughout the encyclical for example the intimate relationship between the poor and the fragility of the planet, the conviction that everything in the world is connected, the value proper to each creature, integral ecology, our throwaway culture and the proposal of a new lifestyle. These themes will not be dealt with once and for all but reframed and enriched again and again.

In this unprecedented time we will meet once a week via Zoom for six consecutive Tuesday evening for 1 hour from 7:30 to 8:30 PM, starting January 12 until February 16 (Marti Gras). If interested please contact Joe Lavin, certified as a Laudato Si animator by the Global Catholic Climate Movement, at jjlavin0120@gmail.com or 201-960-5844. Open to all from 14 to 104.
