October 9<sup>th</sup>, 2020

**Math-** Next week we will be wrapping up our second chapter in math! A study guide will be coming home next week with the test the following day. For our next chapter, we will be exploring more multiplication facts and strategies.

**Social Studies-** We have been learning about different groups of Native Americans who lived here during the time when Europeans came.

**Theology-** Students are focusing on the Ten Commandments. They will be having a quiz next week that will be communicated to you from Mrs. Andalon.

## **Mardi Gras Theme:**

The third grade will be having a star gazing theme this year. I have several ideas to start off with, but would love any suggestions or ideas you might have! Feel free to email me with those. The main thing to make it easy, are monetary donations that way I can go out and find what we need to make a great package!

## **Halloween:**

Due to our different circumstances this year compared to previous years, Halloween will look a little different as well.

On Friday, Oct. 30, we have a half day, so students may come to school in their costumes! We will not have them change into them at school, so this must be done at home in the morning.

Instead of an all school party in the gym, we will be in our room celebrating. No treat bags are allowed to be brought to school due to the new snack rules. However, if you would like to give a small monetary donation to go towards treats/drinks that I can pick up for the day.

If you have any questions, let me know!

St. Charles Borromeo's mission is to nurture unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.

## Upcoming Events:

### **Monday October 12**

~ Rosary @ 11 am

### **Wednesday October 14**

~ School Mass @ 9 am

### **Friday October 16**

~ NO SCHOOL

## **Next Week's Menu**
