October 23<sup>rd</sup>, 2020

**Math-** We have been continuing to work on harder multiples such as 6, 7, 8 and 9. Next week we will finish the chapter with a study guide coming home on Thursday.

**Social Studies-** Next week we will begin chapter 3, Visitors from Far Away.

**Reading-** We only have a few chapters left in our Boxcar Children book. After the book, students will make dioramas that go along with the book. They will need a shoe box or something of similar size to put their creations in. I do have a few on hand, but I wanted to give you a heads up to start looking for a box.

## Halloween:

Friday is our in-class Halloween party! Just another reminder, students may come to school in their Halloween costumes since it is a half day. If their costumes involve make-up, they may also come to school in their make-up as long as it is school appropriate.

The students filled out a questionnaire to let me know what type of treats they would like for the party! Thank you again to those who donated money for this!

If you have any questions, let me know!

St. Charles Borromeo's mission is to nurture unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.

## Upcoming Events:

### Monday October 26

~ Rosary @ 11 am
