## Math

Coming up this week, we will be finishing up our last chapter of our Unit! We have been working on Counting Up to 10 and Comparing numbers.

## Language Arts

Coming up this week, we will be working on Using our Senses to describe things. We will be using descriptive language to help us in our reading and writing.

## Science/Social Studies

Coming up this week, we will be finishing our first section in science. We have been working on looking at different animals and plants and what they need to survive.

## Theology

Coming up this week, we will be finishing our section on God's House-The Church. We have been learning about different things we see in Church and how we should act in church.

## Miss Hodson's Kindergarten

Check out what we're learning!

**A Message from the Teacher:**  
 ~The Halloween party will be in the classroom on Friday, October 30th, as it is a half day of school students should wear their costume to school and will have it on all morning. For the health and safety of everyone, instead of sending in snacks and goodies, we are asking families wanting to contribute to please send in a couple of dollars. Miss Hodson will then use that money to purchase snacks and supplies needed for the party. A huge thank you to all that have contributed already!  
 - We have had a few families donate for each student to receive a new book. Another will be sent home in November.
