Math- Tests that were taken on Friday will be graded and turned back on Monday. We will begin our next chapter, Multiplying by two-digit numbers.

Vocabulary from Latin Roots- We will begin chapter 3 next week.

Theology- I would like to show the 1998 animated movie, *The Prince of Egypt* upon completion of our final chapter about Moses and the Exodus. Please take a look at the Dove Family review and opt-out form. Since it is rated PG for Biblical violence, I am obligated to make you aware and provide an opt-out form. If **DO NOT** wish for your child to watch this movie, please return the form. Even if one family does not want their child to watch it, we won't, and no one will be singled out in any way. Thank you!

Students have been working diligently each day. Some of our daily assignments are in Google Classroom. When I grade those assignments, I make a notation in Facts (gradebook) with a GC. This will help you to know that the assignment has been graded and recorded. You can check your child's work on those digital assignments by having them pull up the returned assignment in their Google Classroom account.

Thank you for signing up for conferences. Next week I will email the Zoom link to you. If you need the conferences to be a phone call instead, please send me an email and I will note that and make the proper arrangements.

St. Charles Borromeo Catholic School nurtures unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
