November 13th, 2020

Math- The students have really seemed to dive right into Mad Minutes this week. This is a fun way to help get those multiplication facts memorized! Be sure to ask your child which fact they are going to do the next day!

Reading- The students did a great job on their Boxcar Dioramas! They not only had fun, but loved showing them off to other classes in the school! Our next book, *Sarah, Plain and Tall*, will start next week

Theology- We are studying the commandments in more detail. So far we have worked on commandments 1-6.

Thank you for all the participation in conferences for the third grade! I enjoyed talking with all of you. If you happen to think of something that was forgotten during our conference, please feel free to email me.

Spelling City:

A letter is coming home today explaining how to log onto Spelling City. This is a great way for students to study their spelling words by playing several different activities. This will replace the spelling homework that has been sent home 😊. Each week there will be four activities that they should complete before Friday. I hope they have a fun time studying!

Spirit Week:

Monday: Show off your favorite sport or team!

Tuesday: Wear your most creative animal outfit!

Wednesday: Dress code for Mass

Thursday: Which holiday is your favorite...show us with a festive outfit!

Friday: Show spirit for our beloved St. Charles School! Gooooooo Cougars!

St. Charles Borromeo's mission is to nurture unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.

Upcoming Events:
