Dec. 11, 2020

**Spelling**-We will have our spelling pretest on Monday and our final test on Thursday, Dec. 17. The activities we do in class help support learning these words but any additional work at home definitely helps.

**Social Studies**-We will have a test on Wednesday. Study guides are coming home in Friday's folder.

**Math**-We have started our chapter on division. Right now we are working on simple division facts related to the multiplication facts we know. Students are catching on to this concept. We will touch on long division before break and will continue in January.

St. Charles Borromeo Catholic School nurtures unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
