January 8th, 2021

Math- Next week, we are working on finding the area of rectangle using the distributive property. We will also explore finding the area of different shapes.

Theology- This week we learned about St. Stephen and St. Elizabeth Ann Seton.

Social Studies- We are wrapping up our Chapter on Becoming a State. A study guide will be coming home next week with the test on Friday. Our next chapter is about how Michigan grows!

Mardi Gras is quickly approaching! I want to say thank you again for the help I have received so far! We still have a bit to do before then, so any help or suggestions you have, let me know!

We are mainly in need of monetary donations in order to purchase things such as hotel stays, gas cards, etc. Other items to help with our package would include:

Telescope
Lawn Chairs
S'mores Items (Graham Crackers, Marshmallows, chocolate, Roasting Forks etc.)

Ideas currently working on:
Fleece Tie Blanket
Name a Star
Student designed stars
Planetarium across Michigan tickets

St. Charles Borromeo's mission is to nurture unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
