This year we are going to keep parties in the classroom again, and without parent volunteers as we try to limit the number of people coming into the school for contact tracing purposes. If you are able to donate money for our celebration, I will purchase snacks and drinks. I am asking for \$3 per family. At this time, please do not send in treat bags for the entire class. Thank you to those who have sent in money, I appreciate it.

Student book reports are due on Thursday, October 21. Many students have returned these already. Students who are still reading the books may log their minutes on the October reading log that was sent home.
