**Math**-We have started to practice our basic multiplication facts each morning as a warm up. Some facts in the 6,7, and 8 families have still not been memorized. Any extra practice at home will help your student. The next three chapters in our math book focus on multiplication.

**Social Studies**-We have begun chapter 4 this week, The Northwest.

**Theology**-Next week we will begin learning about Moses, the plagues, the Exodus out of Egypt, and the Ten Commandments.

St. Charles Borromeo Catholic School nurtures unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
