**Math**-We will begin chapter 3: Multiplying by a one-digit number, next week. Students who are not proficient in times tables up to 12, should be working on those trouble areas so they can be successful in class with this new chapter.

**Science**-Students will be studying how plants react to their environment.

**Reading**-We will begin a new novel next week, *Charlotte's Web* by E.B. White.

**Vocab from Latin Roots**-We will begin lesson 2 next week. Students seem to enjoy this new subject and did well on the all the assignments and activities, as well as the test.

St. Charles Borromeo Catholic School nurtures unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus

### UPCOMING EVENTS

### Halloween Party Information:

This year we are going to keep parties in the classroom again, and without parent volunteers as we try to limit the number of people coming into the school for contact tracing purposes. If you are able to donate money for our celebration, I will purchase snacks and drinks. I am asking for \$3 per family. At this time, please do not send in treat bags for the entire class. Thank you for your generosity and understanding.

**Book Report Reminder:** Students should be reading their book at home. Please sign and return the slip when the book has been read completely. I will then send home the book report packet.

Integrity Apparel has our St. Charles School spirit wear store ready to go for us. All orders will be placed and paid for online through this link again this year. <https://stcharlesbcs.itemorder.com/sale>  
The deadline for ordering is Sunday, October 10th.
