October 1st, 2021

Math- Next week we will be wrapping up our second chapter in math! A study guide will be coming home next week with the test the following day. For our next chapter, we will be exploring more multiplication facts and strategies.

Social Studies- Next week we will be learning about the first people of Michigan starting off with the Hopewell Tribe.

Science- We are learning about different aspects of weather. This whole week we have been recording the temperature each day at the same time.

Spirit Week:

Monday: Neon/Tie Dye-The more color, the better!

Tuesday: Get a little crazy and mismatched!

Wednesday: Dress code for Mass, but bring a hat for the rest of the day!

Thursday: Wear your comfiest clothes or pajamas. Be sure it is still appropriate for school though.

Friday: Show spirit for your favorite sports team!

Mardi Gras Theme:

The third grade will be having an ice cream theme this year. I have several ideas to start off with, but would love any suggestions or ideas you might have! Feel free to email me with those. The main thing to make it easy, are monetary donations that way I can go out and find what we need to make a great package!

St. Charles Borromeo's mission is to nurture unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
