- On 9/3 the quarantine order changed. On 9/8 the school quarantine order changed. We have already had 71 students (class impacted) quarantined this year. We have had 3 cases this year. Last year we only had 1 case. In the new quarantine order you do not need to quarantine if you are masked and 3-6 foot apart. The return to school committee has decided to go back to masks starting Monday. A letter will go out to parents tomorrow. Dave Haylett and Jenni Strizinger were against the mask change. Dave Haylett wanted the screening in the morning to resume. The return to school committee will continue to reevaluate this decision.
