Nov. 19, 2021

Theology-We are nearly finished with our study of the Old Testament. This is perfect timing for the season of Advent and the beginning of our work with the New Testament. We will also be constructing a Jesse Tree, tracing Jesus' lineage.

Math-This week we began a new chapter, 2-digit by 2-digit multiplication. Mistakes are being made with the process of this concept, but the multiplication fact fluency is much better than earlier this year.

Spelling-No spelling this week. We will continue with our spelling words on November 29. Students will study their words all week and will have one spelling test on Friday, December 3.

Reading-I have been reading selected picture books to teach inferencing. The students have been doing well with this concept.

St. Charles Borromeo Catholic School nurtures unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.

UPCOMING EVENTS

- Nov. 24-School Mass
- Nov. 25/26-Thanksgiving break
- Nov. 29-School resumes

If your child has any textbooks at home from our week of online schooling, please send those back to school next week. Thank you!

Winter weather reminder: Please be sure to send appropriate cold weather gear to school with your child. We will be going outside unless it is below 15 degrees. Also, shorts are not permitted until after spring break 2022.

Be sure to order scrip from the school office to do your Christmas shopping. There are several vendors who have cards in \$5 or \$10 denominations that would make great stocking stuffers.

Students have library each Tuesday. Please help your child remember to bring back the book they checked out so that they can rent a new one each week.
