Spelling and Handwriting

I have asked that all classes have lesson 8 done in their spelling books for Monday and the next two pages in their handwriting.

Several 7th graders finished these and turned them in before we shut down.

Please check in with your student and make sure they have them completed. Thank you!

Math Class

The weekly math agendas and any worksheets that the students are completing will be in their math Google classrooms. If students forget their work at school, they can access it in Google classroom.

The agendas are a great way for students to make sure they have completed their work during the week.

Book Reports

Because of the no school days and the virtual week I have changed the due date of the book reports. These book reports will now be due on Wednesday, December 1st.

Book reports are to be completed at home.

Super Script Sale

The script order forms will go home next week. If you want to order script please make sure you fill out the order form and get it back to the school.

Gift cards make great Christmas presents!
