Dear Kindergarten Families,

Here at St. Charles Borromeo Catholic School, one of our biggest and most fun events of the school year is our annual Mardi Gras Auction! This year marks the 23rd annual event! The auction contributes a great deal to our annual budget to support our marvelous school!

One of the highlights of each auction are class projects! Each classroom at SCB creates a project to be auctioned off the night of the event. Students and parents help to make the project useful, fun, and unique with student touches! It is imperative that each family helps with the project with time, talents, or treasure to help our event be successful.

This year, Kindergarten will be doing a Disney Themed Day! I know that February is still a ways away, but we have a nice start to our package. With a little help from each of you, we can have our project finished quickly! On the next page is a list of what we have and still need.

Please share the Class Page link to extended family and friends. All orders also earn FREE Books for our class.

In the past, I had families that would donate \$20 to sponsor a month to get each student in our class a book. This is a great way to instill the love of reading in our students and give them a chance to read new books! If you would like to sponsor a month, please send me a Class Dojo Message or an email!

Thank you for your support!

Ms. Hodson
