Feb. 4, 2021

Reading-The students were assigned a book report. This is due on February 26. Please let me know if you did not receive this information or if you need clarification on the requirements.

Science-Students will begin a new chapter next week on plant structures used for reproduction.

Math-We are learning about factors of a number, and prime and composite numbers. The students have enjoyed drawing rectangular arrays that represent the factors a particular number.

Theology-Our next chapter will be about the 2 natures of Jesus, human and divine. We had a special focus on St. Brigid of Ireland and St. Blaise this week.

St. Charles Borromeo Catholic School nurtures unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
