**Math**-Today we began Chapter 7-Fractions.

**Reading**-We will finish Farmer Boy next week. There will not be a cumulative test. There will be a project instead. Those details will come home next week.

**Grammar**-We have completed our study on verbs, and will now work on adverbs.

**Science**-Students will begin learning about how plants respond to their environment.

**Theology**-We have been reflecting on Scripture passages related to our lessons.

St. Charles Borromeo Catholic School nurtures unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.

## UPCOMING EVENTS

- March 12-\$1 OODC Day
- March 19-End of Quarter 3
- March 19-half day, noon dismissal for records.
- March 26-Spirit Wear Day

March is Reading Month. Information will be coming home soon, please keep an eye out for it.

We will continue participating in Stations of the Cross devotion each Friday during Lent.

Reminder: We have snack time each morning. Many students have been forgetting theirs from home. Many students have been forgetting water bottles as well. I do have plastic bottles to give to students when they forget, but would prefer that a refillable bottle from home be brought in. We have gone through a lot of the plastic ones lately.

## Next Week's Menu
