**Reading**-Students are reading, Hercules' Quest and working on vocabulary, comprehension questions, theme, and allusion tied to this myth.

**Social Studies**-We will begin learning about the Southwest next week.

**Math**-Students are doing well with fractions. We will have a test on Tuesday, March 16. Students may always brush up on their math skills at home by utilizing IXL. I always have suggested skills pinned for them.

**Writing**-Students have begun the process of writing their own myth or quest, tied to our reading. This will likely take a few more days to complete. I have enjoyed the creative process.

Students should bring back their blue reading logs on Monday. Students who bring back their log initialed by a parent will receive a prize. A new reading log will be sent home Monday afternoon.

If you are in need of reading titles for your child, please let me know. I would be happy to make recommendations.

*Farmer Boy* book projects are due on Thursday, March 18. Please don't go out and buy things for this, use what you have at home or students can draw their objects.

St. Charles Borromeo Catholic School nurtures unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
