**Math**-We have had a lot of fun with fractions so far. Next week, we will begin working on subtracting fractions and adding mixed numbers.

**Reading**-We will not begin a new novel until we return from Spring Break. Students will be working on their comprehension by utilizing ReadWorks.org. Students will read non-fiction selections with ties to social studies, science, and history, and then answer questions about what they read.

**Science**-Students will have a test before spring break. Mrs. Edwards will be sending home a study guide.

St. Charles Borromeo Catholic School nurtures unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
