**Theology**-Next week we will be working on making a Holy Week poster. We will read scripture and draw pictures tied to those events.

**Social Studies**-We have been working on learning about the Southwest. Students have read additional information about this region on ReadWorks.org., as well as watched a few videos about the oil gusher Spindle Top in Beaumont, Texas on 1901.

**Reading**-We have been working on sequencing events in works of non-fiction.

St. Charles Borromeo Catholic School nurtures unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
