March 12th, 2021

Math- Students have been noticing patterns when multiplying by 10 this week. Next week we will be continuing multiples of 10 problem solving.

Social Studies- We have learning and discussing the Underground Railroad and those that helped enslaved people to Canada to be free!

Science- We started our new chapter out learning about different types of animals that live in groups.

St. Charles Borromeo's mission is to nurture unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.

Upcoming Events:
