March 5th, 2021

Reading- This week we talked about exclamation sentences along with reviewing statements, commands, and questions. Next week, along with continuing *Mouse and the Motorcycle*, we will learn about subjects and predicates of sentences.

Social Studies- We learned about the many things Michigan produces from cereal to automobiles!

Science- Next week, we will be taking our test over environments! The next topic will be about how living in a group helps with surviving.

Lenten Season:

Students are working with Mrs. Andalon on making Stations of the Cross booklet to help get a deeper understanding of our Lenten season! Each week, students go over to the church to participate in a school Stations of the Cross.

Students will also have the opportunity to go over for reconciliation during this season as well.

St. Charles Borromeo's mission is to nurture unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
