Hot Air Balloon Design Submissions

Students have the opportunity to let their creativity soar! Any student who would like to participate can spend time designing/decorating the hot air balloon template that was sent home on March 1st. Once finished the image should be cut out, name written on back, and returned to school by Wednesday, March 10th. The projects will be voted on anonymously by the teachers with winners (one for P2-2nd and one for 3rd-8th) receiving a special prize. All designs will be hung on a bulletin board and shared for others to see.

Reading Logs

Reading logs will be sent home each Monday and should be returned the following Monday morning. Students turning in their log and meeting their goal each week will receive a prize. The top reader in each class at the end of the month will also receive a special prize. The class with the highest percentage of students meeting their reading goal for all four weeks will also earn a prize.

Allergies

All allergies will be taken into consideration should your child and/or their class win a food prize.

Questions
