April 16th, 2021

Math- We have been looking at how fractions with different denominators can equal each other. Next week, we will be comparing fractions to whole numbers.

Science- Students have loved creating something to make something difficult at home easier! Next week we will look at Industrial Engineers with Storm!

Reading- Students have been very excited to be reading about Henry Ford this week!

St. Charles Borromeo's mission is to nurture unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
