Research Papers

Every grade has been assigned a research paper. Packets explaining the whole paper were given to students the week it was assigned. We went over them together in class. Papers are being done at school, but it is helpful to check in with your child to see how they are coming. There are 2 schedules at the end of the packet with all the due dates listed so you can check to see if they have completed those things during class time.

Papers are due on April 26th.
