Math- Students have been doing well at grasping time! Next week, we will be learning about liquid volumes!

Social Studies- We started our next chapter, learning about Michigan's government.

Science- We have finished our STEM with Storm units! We have started learning about how environments change.

St. Charles Borromeo's mission is to nurture unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.

Upcoming Events:

Wednesday, May 19

~ School Mass @ 9am

Thursday, May 20

~ Mass of Gratitude and Thanksgiving with Bishop Bradley @ 10 am (Virtual)

Friday, May 21

~ Spirit Day

~ Rosary @ 2:15 pm

We are approaching the end of the year already! Where has the time gone?! This time of year is so busy and students find it hard to stay focused. Please help me by reminding your child that homework needs to be completed and studying for tests is a must. We are near the finish line and we can't stop now.

Spelling Bee:

This year, the Spelling Bee will be a little different. Next Friday, the third graders will have an in-class spelling bee, with one winner. Each class will have a winner this year compared to classes competing against each other.
