**Math**-Students will have a test on Wednesday, May 19. We will work on the chapter review together in class on Tuesday.

**Theology**-We learned about St. Anthony of Padua who was born in Lisbon, Portugal and eventually preached in Italy. He is the patron saint of lost items.

**Reading**-We will begin reading, *What was the Gold Rush?*, this fits well with our social studies unit on the West.

**Social Studies**-Students are working on a report about the California Missions. Each student chose one of 21 missions to research. This is a great cross-curricular project.

St. Charles Borromeo Catholic School nurtures unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.
