Math- This week we learned about using arrays and number lines and how they relate to multiplication. Next week we will start looking at how to share equally into a given number of groups. We will also look into other meanings of division and how it relates to multiplication concepts.

Social Studies- We have been learning about the great lakes and what makes each one different from the rest.

Language Arts- The students are really enjoying the Boxcar Children!

St. Charles Borromeo's mission is to nurture unity between Faith and culture in our students by providing academic excellence and a spiritual and intellectual encounter with Jesus Christ, developing the whole person as a reflection of Jesus.

Upcoming Events:

Monday, September 13

~ Rosary @ 11:00 am

Tuesday, September 14

~ Hungry Howie's Pizza Night

Wednesday, September 15

~ NO SCHOOL MASS

In honor of remembering September 11, 2001, the third graders learned about the significance of the 9/11 stair climb the Coldwater's Firefighters do each year. They also had the opportunity to see some pictures from the 9/11 museum in New York thanks to our kindergarten teacher, Miss Hodson. Feel free to ask your child what they learned!

Pictures are coming home today. If you would like your child to get retakes, they may do so Monday the 20th.
