My Dear Parishioners,

I know it was a challenging year, and I am overwhelmed each day by your generosity. If not for your continued donations during this time of Covid, our parish would be struggling, like so many other parishes are. I am so thankful to all of you and your support. However, I have a request to make of you, and I wouldn't make it if I didn't feel it was vital.

As you know, we are working to purchase and install a modular building and to renovate our kitchen. We have had a capital campaign for several years now, and we are very close to our goal. However, we are about \$85,000 short.

With Covid and other supply chain issues, the cost of steel and wood has skyrocketed. The price of the modular building increased since we received the original quote. Thankfully, the bishop has allowed us to enter into a contract for the structure to prevent further price increases. We have enough money in our campaign account to pay for it. However, we still need the additional \$85,000 for both the modular building and kitchen renovation projects.

This is my appeal to you; if you have not had the opportunity to contribute to our Capital Campaign fund, please prayerfully consider making a gift. If you have installments outstanding on a current pledge, please consider accelerating your payments so we can close that \$85,000 gap, lock in pricing, and begin the work. Of course, we gladly welcome any additional gifts you may be able to make.

So please prayerfully consider making an additional financial contribution to this project. We need these projects completed so Faith Formation classes can meet in person in the fall, ministries will have a place to meet and we can all gather for fellowship dinners and fundraisers. All of you are important and needed for the parish to meet this financial goal. If you are unable to contribute financially, please pray for its success. We need your prayers too!

You can either drop a check off in the offertory basket marked "capital campaign" or give online. The online giving link can be found on our website or at <https://sptatrinity.weshareonline.org/CapitalCampaign> or call the office for other ways to give.

Thank you,

Rev. Michael Suszynski
