CRS Rice Bowl

SUSTAINABILITY IN EL SALVADOR

Drought has become a big problem across El Salvador, making it difficult for farmers to produce enough crops to support their families. But new farming techniques—and a new generation of young farmers—are making a difference. What would you do if your livelihood was threatened? How can you support young people in your community and around the world? Visit crsricebowl.org to learn more.

Please take a Rice Bowl home to be a prayerful part of your family Lent. Place your constructed CRS Rice Bowl on your family dinner table. Read the daily prayer reflections and put your financial donation into the Rice Bowl. At the end of Lent, place the bowl in the church collection basket. Any contribution will be gratefully received by Catholic Relief Services. May God Bless you with a faith inspiring Lent!
