CRS Rice Bowl

COMMUNITY IN MADAGASCAR

Poor nutrition can lead to devastating long-term consequences for individuals, communities and entire countries. That's why communities must work together to ensure that all children have access to better food and nutrition. New planting and cooking techniques are helping many communities in Madagascar improve the health and wellbeing of their children. How does your community work together for the good of others? Visit crsricebowl.org to learn more.

Please take a Rice Bowl home to be a prayerful part of your family Lent. Place your CRS Rice Bowl on your family dinner table. Read the daily prayer reflections and put your financial donation into the Rice Bowl. At the end of Lent, place the bowl in the church collection basket. Any contribution will be gratefully received by Catholic Relief Services.

MQSCA News

We are two weeks into the third and final trimester and had 31 students come back to in person learning for the remainder of the year. We couldn't be more excited to have them back, for several reasons. First, we know that 'in person' learning is what is best for students and we have already seen an increase in engagement and work completion of those students. Second, it is a reminder, albeit subtle, that we are returning to some normalcy. The class pods are slightly bigger and more reflective of full capacity, the students have the opportunity to socialize with their peers and the teachers get to teach more 'in person' learners than online learners. Lastly, it reinforces that our safety protocols are working. To date this year, we have not had ANY student cases in the school. It bodes well for a full return to a 'normal' year in the fall! With that, we are still taking applications for new students and are especially interested in growing our early childhood grades of K3 - K5. Please be sure to mention our school to parents looking for a loving, nurturing and faith-filled community.

They may contact the main office to get more information and begin the registration process.
In Peace, Jen Vega
