MESSAGE FROM YOUR ONE MONTH OLD SPIRITUALLY ADOPTED BABY

Thank you for praying for me. I am one month old now. I have a heart pumping my blood and a backbone. I am very, very tiny and I appreciate your prayers.
Love,
Your Spiritually Adopted Baby

DID YOU KNOW?

Your spiritually adopted baby is already 10,000 times bigger than at conception. He/she has developed the foundations of his/her brain, spinal cord, and nervous system by day 20. Your baby's heart began to beat at day 21. His/her blood type can be different from his/her mother's! Your baby is most vulnerable during the next month of being aborted. Pray that the Lord of Life might move the heart of his mother to give him the most precious gift of all -- the gift of life.
