

Catholic 301

(Because Fr. Brendan doesn't do 101)

Saturday Mornings @ 8:30am

New Tentative Start Date

February 5, 2022

Join Fr. Brendan for a weekly series that will lead us into a deeper understanding and appreciation for the workings of the Second Vatican Council. After trying to make sense of the context for the Council, we will read and work through the major documents that the Council Fathers promulgated. The series will conclude by looking at the impact of the Council on the life of our Church as we know it today.
