Dear St. Agnes Family,

It was a true delight to worship together at our Christmas Masses in celebration of Jesus Christ coming into our world and the reality of our lived experience. There are so many people who helped in creative ways throughout the Advent season and leading into Christmas celebrations to make our journey Holy and special. It has been an experience of community coming together when things were difficult and different to keep our focus on what truly matters in our Christmas experience. I hear the words "we are truly blessed" come from the lips of so many here at St. Agnes – it certainly rings true in my own heart.

As we continue on in the season of Christmas, I pray we continue to explore that deep joy that Fr. Eric often speaks of in his homilies. A joy that is born from faith in our God, who sent his only Son.

In prayer and peace,

Mary
